The perfect building for your new Church in town.

A stunning 300 square meter church, meticulously maintained and filled with natural light. This spacious sanctuary offers endless possibilities for worship, community gatherings, or even conversion into a unique residential or commercial space. Key features include:

- Expansive interior with high ceilings
- Potential for renovation or redevelopment

Ideal for:

- Churches and religious organizations
- Community groups and event spaces
- Developers and investors looking for a unique project

This facility can also be changed into a home school centre.
