Located just outside Brits.

This property offers three spacious storage units, ideal for a variety of business needs. Store #1 stands out with a large sliding door, providing convenient access for loading and unloading. The property comes with borehole water, with electricity billed separately.

Security measures, garden maintenance, and waste removal services are included, ensuring a safe and well-maintained environment. Positioned along a main route leading to Brits central, this location is easily accessible and close to essential amenities, including a fuel station and shops, making it perfect for use as storage or a workshop.

Don't miss out on this well-situated, functional space!
